

Bench and stand scales 9055, 9056, 9057 for not approvable applications

Characteristics

- > Extra-slim, ergonomic stainless steel platform; Only a slight effort required to lift the goods onto the platform
- > Separate display unit – the weighed goods do not blind the display
- > High-resolution single-range scales, not approvable
- > Quick and easy 1-button operation with extra-large button
- > Battery operation allows flexible application in different places
- > Energy-efficient with integrated Auto Off battery function and timer programmable from 1 to 30 minutes or continuous operation
- > Internal user calibration for location based adjustment
- > Switchable units between kg and lb
- > Weighing functions: weighing, taring, adding, plus/minus weighing, hold function
- > Includes wall bracket (for models with separate display)
- > Large LCD display, digit height: 20 mm, not approvable
- > Weighing platform: Stainless steel 1.4301
- > Substructure: Painted or galvanized steel sheet
- > Integrated battery with power supply 100–240 V / 50–60 Hz, operating time: 50 h, charging time: 5.5 h, UK plug adapter, see accessories
- > Scale sizes / scales own weight:
 - Bench scales:
 - 310 x 275 x 35 mm, own weight: 2.4 kg
 - 520 x 400 x 70 mm, own weight: 11 kg
 - 660 x 545 x 85 mm, own weight: 28.6 kg
 - stand scale:
 - 310 x 400 x 520 mm, own weight: 5.1 kg
- > Protection Class IP 42
- > Nominal operating temperature: -10°C to 40°C

Options

- > RS 232 PC interface installed, order number: 2563.21.004
- > Data cable 3 m, order number: 2550.03.014
- > UK plug adapter, order number: 2557.25.002
- > US plug adapter (on request)

Order No.	Model	Platform size	Weighing range	Scale interval	EDT
	Substructure	mm	kg	g	Week

Size 1 - separate display

NOT APPROVABLE

9055.01.002	Galvanized steel sheet	310 x 275 x 35	15	5	1
9055.02.002	Galvanized steel sheet	310 x 275 x 35	30	10	1
9055.03.002	Galvanized steel sheet	310 x 275 x 35	60	20	1

Size 2 - separate display

NOT APPROVABLE

9056.02.002	painted anthracite grey	520 x 400 x 70	30	10	1
9056.03.002	painted anthracite grey	520 x 400 x 70	60	20	1
9056.04.002	painted anthracite grey	520 x 400 x 70	150	50	1

Size 3 - separate display

NOT APPROVABLE

9057.04.002	painted anthracite grey	660 x 545 x 85	150	50	1
9057.05.002	painted anthracite grey	660 x 545 x 85	200	100	1

Size 1 - with stand for display

NOT APPROVABLE

9955.01.002	Galvanized steel sheet	310 x 275 x 35	15	5	1
9955.02.002	Galvanized steel sheet	310 x 275 x 35	30	10	1
9955.03.002	Galvanized steel sheet	310 x 275 x 35	60	20	1

Accessories for bench and stand scales 905X

Order No.	Model
2563.21.004	RS 232 PC interface installed, 9 pin*
2550.03.014	PC/computer data cable 3 m, 9 pin
2564.20.005	Scale Connecting Plus PC software, extensive software program for transferring scale data to a PC program
2557.25.002	UK plug adapter

Options (see*), when required, must be ordered at the same time. Retrofitting is not possible.
